NOTICE

I am directed to inform that the West Bengal State University cannot hold any Final Year/ Final Semester Examinations at UG and PG Level, this year because of the pandemic caused by the COVID – 19 and the horrors of the cyclone “Amphan”. The UG examinations for General Students that were held are deemed to have been cancelled. Due to the above unprecedented situation a 80:20 formula (20 for internal assessment and 80 on better/ best aggregate of past results as applicable) will be used to prepare the UG final year results for those candidates who have filled in Part III Examination Forms, Regular as well as Casual.

The Colleges will have to prepare the internal assessment marks of 20 and fill the same in the Examination Portal which is operational from 06.07.2020. The 20% marks of internal assessment to be sent by the colleges will be outside the purview of the RTI as many students have been/ have to be reached on telephone for their assessment and all records thereof cannot be maintained as expected.

The Colleges are requested to complete submission of internal marks on Examination Portal by July 17, 2020. Results will be declared/ published within ten days from the receipt of the internal marks. Results of students of those colleges not submitting marks by July 17, 2020 will be marked as “INC” (Incomplete). Once marks are obtained, results will be declared/ published within ten days from the date of receipt of marks of internal assessment.

Any candidate not satisfied with the results may surrender his/ her result/ mark-sheet within one month from the date of publication of his/ her results on the website and communicate through the Principal/ TIC/ OIC of the college concerned to the University, and the university will arrange his/ her examination, as prayed for, when the existing situation caused on account of the Pandemic gets over and normalcy in regular activity is restored.

There will be no Review of Results this year (2020) of the UG Part III.

The UG students who will advance to the next semester and whose teaching/ learning process will be conducted online, shall enrol themselves in their respective institutions (college/ university as applicable) through an appropriate communication and a minimum enrolment fee to be decided by the College(not exceeding Rs.100/-). The students so enrolled will give their contact details so that at any time they can be contacted. The modality of examinations of semesters that could not be held because of the Pandemic will be informed at a later date. Parity with other state universities will be kept in such matter.

The University will later decide the Date of Commencement of the New Academic Session.

Candidates whose registration will lapse this year will get another year to complete their courses. This decision is being arrived at in the interest of the students who have largely been affected because of the COVID-19 Pandemic and also because of the cyclonic storm "Amphun" and also because of the fact that this university caters to the needs and aspirations of a large section of students who are first generation learners.

All the decisions above are for the reason of Pandemic and this year only.

This has the approval of the appropriate authority.
